Re: 708323

I am sending this letter because this is my third (3rd) request since August 9, to have my address corrected.

When I called and spoke to someone they stated it would take 3 weeks it is now going on 3 months. I official sent in a request via US mail. I have faxed a request. And will be faxing and mailing again today October 16, 2006. If there is a problem please contact me, but this is not a current address which reflect my mailing address and has not been for sometime.

Please correct immediately.

Thank you

Gloria Smith
